

Lander Llama Company-Wilderness Pack Trips
Guided Trip Schedule 2018

We customize each trip based on a first come first served basis. Your group may join any "Scheduled Trips" with participant openings. Your group may start a "New Trip" (**set trip emphasis**) but we must have a minimum of 4 participants to commence the trip (we reserve the right to cancel a trip if no more than 3 participants have joined the trip). If you have less than 4 participants we will try to mix you with already scheduled trips first. If the "Scheduled Trips" conflict with your schedule we can book a "New Trip" with only 2 people, but we will still need a minimum of 4 to commence the trip. We try to keep no more than 10 participants to a group on mixed trips. Our average trip size is 6 people. We are able to take 10 to 15 participants for a private trip (your group only) **It is important to keep in mind that this schedule is continually being added to and subtracted from as we approach the summer season.**

Early Reservations Are Highly Recommended

Fly-fishing emphasis means we will be traveling to multiple high alpine lakes to fish. Non fisherman are welcome to enjoy the hikes which are plentiful. All our Wind River Range trips have access to great fishing, and can be designated as a fly fishing emphasis on first booking.

* All Cirque of The Towers trips OR Dickinson Park TH's will require a Tribal fishing permit. If desired and available, can be scheduled to Cirque of The Towers per request.

** Multiple destination listing ie: "[Wind River Range](#) or [Absaroka Range](#) or Cirque of The Towers" means that particular trip may not have had a request yet to either destination and could still be determined by a participant request, backcountry conditions, or Lander Llama Company.
