

# Llama Rental Reservation Form 2010

## The Basics

Lander Llama Company recommends that the llama rental program is for experienced backcountry travelers. The llama rental program is NOT a guided trip and does not include the benefits of a guided trip. We provide the pack llamas and their essential gear including saddles and packs. You are responsible for your own camping equipment, and wilderness itinerary. We provide, for a fee, transportation for the rented llamas to your desired trailhead. We do not have the capacity to haul people and camping gear to the trailheads.

## Rates

Rates are \$50.00/day for each llama. There is a minimum 2 llama, 3 day rental.

## Training Session

There is a mandatory training session for first time handlers at Lander Llama Company's ranch. The training sessions last 3-4 hours and are held any day before your departure. You may start or join in any training session during the season. The cost is \$25 per adult, and children 12 and under are free. The training sessions are scheduled at 4:00 P.M., any day. Training sessions will not be held at trailheads.

## Llama Shuttle

We offer a trailhead llama drop off and pick up service predominately on the eastern side of the Wind River Range. Drop off and pick up fees for the llamas can range from \$77.00 to \$258.00 round trip in most areas, with a possible 10% gas surcharge. Drop off and pick up fees can be customized to other parts of Wyoming. We drop off your llamas at your desired trailhead at 9:00 A.M. and pick them up on your return date at 4:00 P.M. Handlers must be at the trailheads for receiving and returning the llamas to Lander Llama Company at the above times. You may transport your rented llamas on your own with pre-approved transportation methods.

## Permits

If you are traveling in the Popo Agie Wilderness a free "*Survey of Usage and Information Permit for Livestock*" is required by the U.S.F.S. Washakie District, 333 E. Main, Lander, WY 82520-3499 (307)-332-5460. If you will be traveling in the Bridger Wilderness you will need a free "*Bridger Wilderness Stock Visitor Application*" from the Pinedale Ranger District, Bridger-Teton, Box 220, Pinedale, WY 82941 (307)-367-4326. You may pick up these permits during business hours or order the permits by mail or phone. The U.S.F.S. generally is not open on Sat. or Sun. In other areas please check with the local land agency for the appropriate permits. These permits are your responsibility, and must be secured prior to your training session.

## Maps

There are local retailers who have maps, along with the U.S.F.S. where you may purchase maps over the counter. Most of these stores are not open on Sunday. Maps may also be purchased on the internet from the U.S.G.S. at our web site [www.WyomingHiking.com](http://www.WyomingHiking.com) under "For Sale" - Topo Maps and Books

# Deposit and Cancellation Policy for Rental Trips

To reserve llamas with Lander Llama Company you must give a deposit of 50% of the total cost (minimum of \$250.00). All balances are due at the mandatory training session or at the trail head for non-training customers. All cancellations received prior to 90 days before the scheduled departure date, will be refunded in full minus a \$100.00 handling fee. All cancellations received after the 90 period shall completely forfeit the deposit. Lander Llama Company reserves the right to cancel and or change the trailheads for the rental of llamas for the safety and well being of all participants, and full refunds will occur if the rental of llamas is cancelled by Lander Llama Company. Any reduction in the number of llamas rented or the number of trip days, after the 90 day cancellation date has passed, shall cause the entire deposit to be forfeited and the full balance shall be due (cost prior to the reduction) regardless of reductions in number of llamas or number of trip days. Any rental of four (4) or more llamas; or a trip lasting for fourteen (14) days or more, are considered customized and the 90 day cancellation period denoted in paragraph above does not apply and cancellation, regardless of when the cancellation is made, shall forfeit the entire deposit. I also agree, if paying by credit card, that if I fail to cancel the trip prior to 90 days before the scheduled trip, that I will forfeit the complete deposit and I waive my right to charge back the credit card transaction for 50% deposit on the total cost. I also agree, if paying by credit card, that if I fail to appear at the mandatory training session or at the trail head, my credit card can be charged for the remaining balances due. For llama shuttle service fees, there may be a 10% gas surcharge applied.

A llama rental contract and waiver must be signed before your trip departure. I have read the llama rental reservation form and the above deposit and cancellation policy and agree to its terms.
